	)	RE: CHAPTER 13 PLAN
_____ (Debtor(s))	)	docket #13      filed April 23, 2020

Edward J. Maney, Trustee, has analyzed the Debtors' Chapter 13 Plan and supporting documents and submits the following evaluation and recommendation(s):

**General requirements:**

- a. Due to the possibility of errors on the claims docket, it is the attorney's responsibility to review all proofs of claim filed with the Court and resolve any discrepancies between the claims and the Plan prior to submitting any proposed Order Confirming Plan to the Trustee. Please submit a copy of the Court's Claims Register with any submission of the Order Confirming.
- b. Requests by the Trustee for documents and information are not superseded by the filing of an amended plan or motion for moratorium.
- c. The Trustee will object to any reduction in the Plan duration or payout in a proposed Order Confirming Plan unless an amended or modified plan is filed and noticed out.
- d. The Debtors are required to provide directly to the Trustee, *within 30 days after their filing*, copies of their federal and state income tax returns for every year during the duration of the Chapter 13 Plan. This requirement is to be included in any Order Confirming.
- e. The Trustee requires that any proposed Order Confirming Plan state: "The Plan and this Order shall not constitute an informal proof of claim for any creditor."
- f. The Trustee requires that any proposed Order Confirming Plan state: "Debtor is instructed to remit all payments on or before the stated due date each month. Debtor is advised that when payments are remitted late, additional interest may accrue on secured debts, which may result in a funding shortfall at the end of the Plan term. Any funding shortfall must be cured before the Case can be discharged. This requirement is effective regardless of Plan payments suspensions, waivers or moratoriums, and must be included in any Plan Confirmation Orders."

- g. At the time of confirmation, the Trustee will require the Debtors to certify that they are current on all required tax filings and any domestic support orders.
- h. At the time of confirmation, the debtor(s) are required to certify, via language in the Order Confirming, that they are current on all payments that have come due on any Domestic Support Orders since the filing of their case and that they are current on all required tax return filings [pursuant to 11 U.S.C. §1308].
- i. DEBTORS / DEBTORS' COUNSEL REMINDER - A letter is to be submitted to the Trustee, accompanying any Order Confirming, addressing all issues as they are listed in the Trustee's Recommendation. In addition, all documents (ex: tax returns, paystubs etc.) submitted to the Trustee must be redacted – in compliance with Fed.R.Bankr.P.9037 -- by debtors and/or their counsel.

**Specific Recommendations:**

1. The Trustee requires the debtors supply a copy of statements that reveals the balance on hand - in all three (3) of their financial/bank accounts - on the date of the filing of their case.
2. The Arizona Department of Revenue has filed an objection to the Plan. The Trustee requires the objection to be resolved prior to confirmation of the Plan.
3. The proofs of claim filed by Fast Auto Loans (2012 Kia Forte - claim #6), Sherwood Management/Daniels Jewelers (claim #15) and the Internal Revenue Service (*priority* claim #5) differ by classification and/or amount from these creditors' treatment under the Plan. To resolve this discrepancy, the Trustee requires either; a) Debtor object to the Proof of Claim; b) the creditor sign-off on an Order Confirming; c) the Order Confirming be altered to pay the creditor pursuant to the Proof of Claim including payment of the contract rate of interest; or d) Debtor file an Amended Plan to provide for the creditor's claim as shown by the Proof of Claim.
4. The Internal Revenue Service's proof of claim dated April 30, 2020 indicated Debtor has not filed income tax returns for 2017, 2018 and 2019. The Trustee requires Debtor to immediately prepare and file all unfiled tax returns. **Failure to file said returns or the required Affidavit within 30 days from the date of this Trustee's Recommendation and providing a stamped copy of said returns may result in the Trustee lodging an Order automatically dismissing Debtor's case.**
5. The Arizona Department of Revenue's proof of claim [#3] dated April 24, 2020 indicates Debtor has not filed income tax returns for 2015, 2017, 2018 and 2019. The Trustee requires Debtor to immediately prepare and file all unfiled tax returns. **Failure to file said returns or the required Affidavit within 30 days from the date of this Trustee's Recommendation and providing a stamped copy of said returns may result in the Trustee lodging an Order automatically dismissing Debtor's case.**
6. The Trustee notes Debtor's payroll deduction for a retirement or 401k plan loan repayment of \$46 per month. The Trustee requires documentation regarding the terms of the loan, current loan balance and completion date. If installment payments cease prior to the end of the Chapter 13 Plan, the Trustee requires Plan payments to increase accordingly.

7. The Trustee informs the debtors that should the 2019 returns (see items #4 & #5 above) reveal significant tax refunds, if allowed to continue, this would constitute a diversion of disposable income. In that case, unless the plan is confirmed at 100% repayment to all creditors the Trustee would require the Debtor(s) adjust payroll tax deductions to prevent over- or under-withholding, amend Schedule I increasing Plan payments accordingly and provide two consecutive paystubs to verify this has been corrected or require the turn over tax refunds 2020, 2021, 2022, 2023 and 2024 of the Plan as supplemental Plan payments.
8. Considering items #2, #4 and #5, the Trustee's analysis reveals a \$2,404 funding shortfall, which must be cured before the Plan can be confirmed.
9. Plan payments are currently delinquent \$1,191 with a payment of \$1,235 coming due August 16, 2020.

In summary, the Plan can be confirmed subject to the condition(s) noted above, adequate funding, and timely filed Stipulated Order Confirming, and Court approval. ***The Trustee requires that any Stipulated Order Confirming contain the "wet" signatures from the debtors (where applicable), debtors counsel and objecting creditors if there are any.*** General unsecured creditors (including secured creditors with unsecured deficiency balances) will be paid through the Trustee, subject to timely filed and allowed claims. Chapter 7 reconciliation requirement must be met given debtors' scheduled equity in non-exempt property at petition date. **You are hereby advised that the Trustee may lodge an Order of Dismissal should Debtor fail to resolve item(s) #1, #4, #5, #6, #8, #9 above and submit a Stipulated Order Confirming to the Trustee for review and signature or request a hearing within 30 days from the date of the mailing of this Trustee's Recommendation.**
